PRESIDENT'S MESSAGE

Good morning. I am happy to report that I have nothing to report! Things are looking good at sunny Lake Hayward. Hope to see all you chocoholics tonight!

Tax Collector - If you have NOT received a tax bill, please call Don at 537-3577.

Cribbage Tournament - After an extended personal losing streak, Don Fantozzi fought off 17 other cribbage pros to win the 2009 trophy. Lynn Bagnati knocked off any "would be" challengers to pave the way for Fantozzi. Good job Don!

Golf Tournament - Twenty eight golfers who did not make the cut at the British Open made it back to play in the Lake Hayward golf tournament Saturday. After a brief monsoon, the team of Pat Damato, Rod Bernier and Mike Flattery squeaked out a victory for the 2009 trophy. Great job guys!

Mike Hastings won closest to the pin on #4;

Kevin Biancamano won most accurate drive on 33.

Great time. Thanks for lunch.

Have a great week.

- Cindy

PARKING AND SECURITY

It has been brought to my attention that people are parking in the handicapped spot. You can only park there if you have a valid handicapped permit. Please be considerate.

Tim Pelton has been kind enough to pursue the issue regarding use of swim lines. The permit process will take some time but we hope to have the issue resolved by next summer.

A set of keys were found on first beach. Contact John Jacoby (860.537.6908) if you lost them.

ROADS AND BEACHES

I see everyone is enjoying the nice weather that finally arrived.

I have been getting more calls about missing boats; I've been telling everyone to make sure that their boats are locked up and that an address is on them. Speaking of boats, in the next few weeks the team will be going to all the beach areas and removing any boat that doesn't have an address or current CT DEP registration. These boats will be brought to the ball field and either sold or destroyed. We plan on building a boat rack at 1st beach to eliminate some of the boat crowding.

Mark your calendars for August 1st because Nano's band is coming to 1st beach to rock Lake Hayward! Let's show him that we like to party and have a good time.

It's nice to see people walking their pets along the scenic roads of Lake Hayward, but I also see people neglecting to pick up the "droppings". As a pet owner it is your responsibility to dispose of it properly.

Thanks and have a fun summer.

MEMORIAL FUND

Very special thanks to Beth & Ashraf Bashir and to Paula & Ken Baudner for their very generous donations to the Memorial Fund in memory of Rick Laflamme. We're getting closer to being able to purchase the ramps and docks needed to provide fishing access to our handicapped and elderly residents. I want to thank both Kevin Solobeski and John VanZetten for the time and efforts they are donating to research and locate the type of docks we need. They are both greatly appreciated. Please continue to think about a donation for this very important project. Rick would have loved it and so will our special-needs residents.
