PRESIDENT'S MESSAGE

Good morning.

I have received several complaints about dogs and roosters running loose. (Yes, I said roosters!) Please keep your dogs on your property and your roosters caged (and quiet)!

The board is meeting with the budget committee and our auditor next week and we'll discuss these things at the annual meeting on August 16th.

If you are still "hopped up" on the chocolate from last Saturday, come to the pavilion tonight to dance it off.

Have a great week everyone.

- Cindy

Thank you to all who donated prizes for chocolate bingo. This made for a fun night for all who played.

Tonight we have a *live band* playing from 7pm to 11pm. We will be running a 50/50 raffle so come on down for some fun.

- Dave

Please be good sports!

PARKING AND SECURITY

The following is an interesting story that I would like to share with everyone. This week I got a call from someone who lives at the lake stating that during the weekend a vehicle parked on one of the side streets. After parking their vehicle they exited the vehicle with their whole family and removed a boat and proceeded to the beach where they apparently spent the day. The resident was sure they did not live at the lake, but they were smart enough not to park in the lot. The humorous part of this story is that I was sitting on my front porch when they came down the street, and I did not recognize them but assumed they must be renters because who else would be carrying a boat down the street!

If you see this type of activity please try to find someone who will address this issue.

I was also told that a group of teenagers were at First Beach this weekend and they tied themselves to the raft and pulled it out of the swimming area. The teenagers were either dropped off by a parent from Colchester or attending a party on the lake; someone eventually escorted them out of the area. Remember if they are on our property we are responsible for them.

Additionally, if you see boats in the swim area or tying up to the dock please ask them to leave the area.

I've ordered new signs for the parking areas and hopefully will have them this weekend.

I know that it has been difficult to catch up with me to get parking passes but my mother will be around for the next three weeks and will help issue the passes.

MEMORIAL FUND

You people are just great! Donations are still coming in and each will go a long way toward our goals. This week I want to thank Barbara Adams and her family for their donation in memory of Rick Laflamme and Debra Lamay for her donation in memory of Donald James and Rick Laflamme. I hope to have a wonderful update on the status of our handicapped/senior fishing ramp in the next week or so following an amazing offer by one of our members to make a significant donation in an attempt to make up the difference between what we have in donations and what we need to complete the project.

Kevin Soboleski and John VanZetten are hard at work finalizing the plans and working with the marina on prices and they're doing a super job. I was thrilled to learn that the pier will have railings and the dock will have a bench attached which will be great for those who need them. I'll continue to keep you informed and I hope that if you have not contributed yet, you will send your donation to:

The POALH Memorial Fund, P.O. Box 230, Colchester, CT 06415

Again, thank you all.

- Alice Miles

PROMOTIONAL ITEMS

Once again, we will be at the pavilion on Saturday evening about a half hour prior to the band playing to sell our Lake Hayward T-shirts, tank tops, visor caps etc. Again this week our special will be tank tops which will be on sale at \$10.00 each (a great buy at \$5.00 below the regular price).
