It is time for me to say goodbye. It has been my pleasure to serve as POALH president. I've been on the board for 10 years. It's time to say arrivederci and travel to Italy in Sept. The board has a great group of talent and intellect so I'm leaving you in good hands! We've had a very positive year from my standpoint. We've proven that by working together the jobs get done. The place looks pristine.

There are so many folks to thank. I couldn't possibly cover each individual, but you know who you are. Huge kudos to our roads and beaches folks. The boatracks are great, the future projects are on order and 2nd beach will be transformed by next season. Thanks to all the 3rd beach volunteers for sweating it out in May to make that area look great. The generosity of the donations to our memorial fund has been overwhelming this year. Thanks to you. Our association meetings were brief and to the point. We accomplished a lot without any minutia. Thanks to the members of the nominating committee, a very professional job was done! The East/West committee has kept us up to date with our neighbors from the east side as well as the town. The garden club... wow, I've never seen such great plantings around here! The "water guy" has done a great job also of keeping our members on top of current issues. The website/newsletter editor and the coordinator of newsletter carriers deserve a big thank you too. Can't forget the tax collector who sends out the black limo with kneecap adjusters to those contemplating not paying their tax bill! Thanks, Don. As you can see, many hands lighten the load. If you're a new (or not) member, please consider joining the board or helping out on a committee. It's very rewarding. You won't regret it. (Well, at times you'll wonder!)

UPCOMING EVENTS:

On to business: All boats must be removed from boat racks by Oct. 31st. The designers state that they are not made to withhold snowloads. Please don't be the one to damage them by leaving your boat in them. Also, the board met with Rob Defilio, our financial review CPA last week. He found everything to be in good order. He had a few small recommendations. A copy of the review will be available at tomorrow's meeting. We'd like to do some bi-law revisions next year. A small committee will be needed. Please let me know tomorrow if you'd like to help out with this project.

I wish you all a healthy, safe, "off season". Thanks again for all of your help and support. See you next year!

Best regards, Cindy

PARKING AND SECURITY

First, I have to apologize to anyone that I might have tagged that had a parking pass. The passes are very difficult to see, next year we are changing the color.

Second the yellow visitor passes are no longer valid; if you need a new visitor pass please see me.

Dogs are NOT allowed on the beach or in the swimming area. If you want to take your dog for a swim, please use an area other than the beach.

We are still working on swim lines and buoys. At first we thought we would just place one large buoy at the end of each swim area, warning boats. But there is some concern that this might not be enough at 1st and 2nd beach. susankumro@sbcglobal.net
