PARKING AND SECURITY

I am happy to say that things have been pretty peaceful at the Lake this summer. I have only been able to check the parking lots a few times and the cars that I found without passes, just forgot to display them. Remember if you see someone that doesn't belong, just politely ask them to leave.

I want to give a special thanks to Dave Edgington for installing the swim lines at the three beaches; this was not a simple task. Please try to stay off of the lines.

Please be considerate of others and do not park your vehicle on lake property. I have had several people complain that people are using the parking lots and the area in front of little beach for permanent parking.

The swimming areas have been marked so that boat traffic does not enter the swim area; please stay out of these areas.

DOGS ARE NOT ALLOWED IN THE SWIM AREA.

FISHING IS NOT ALLOWED IN THE SWIM AREA.

Just imagine if everyone broke the rules!

East Haddam police officers have been running radar in the morning and I am happy to report that most of the violators have not been lake residents. They will be out running radar several more times during the next couple of weeks. If you have a problem area that you think needs to be addressed please send me an email.

RECREATION

Thank goodness for the lake as we suffer through yet another heat wave in the Summer of 2010. Cool days and nights in and around the water sure beat the heat of the cities. Some new and old recreation news for our members and guests.

GOLF: The Lake Hayward Scramble was held on July 18th at Banner Country Club with a record 51 golfers. Despite the heat, some great golf was played, refreshments devoured, and prizes awarded. In co-chairing my first lake golf tournament, a number of lessons were learned and many improvements will follow. Winners of the various contests were:

First Place Open Golf Division: Tie between Team Vitello and guests and Team Blake Biancamano, Tom Krempecki, and Fred Odell with 5 under par 67's;

First Place Couples' Division: Geri and Stephen Clark and John and Kerry Eckert;

First Place all Female Division: Sandy Kersell, Sue Waz, and Dawns One and Two;

Long Drive Females: Sue Waz;

Long Drive Males: "Tommy K" of tugboat fame; and

Closest to Pin: Matt Hammerstrom.

Five association members chipped in to help plan the day and prepare the meal for the hungry golfers. Thank you Vicky Russo, Vicky McDonald, Cindy and Don Biancamano, and Bill Dunn!

Banner Country Club has agreed to let us fill in on more shot-gun starts and all agreed that this arrangement would work out well for more informal golf this summer. More to follow.

HORSESHOES: The delay was caused by trying to coordinate set times and days for matches. We have decided to allow Team Captains to arrange each match at a convenient time and place whether it be weekday or weekend. A mandatory Team Captain Meeting will be held for 15 minutes this Sunday morning at the Pavilion at 11:45 AM. Rules, format, and schedules will be handed out. Teams entered include:

1. Team Long
2. Team Nelson
3. Team Rutledge
4. Team Edgington
5. Team Webster
6. Team O'Dunn

CHILI COOK-OFF: By the time this Newsletter reaches you, First Beach will have held its preliminary round. Diane Nelson is the coordinator. If you missed the last newsletter you can try reaching Diane at 860-305-7305. The rest of the information on preliminaries:

First Beach: Diane Nelson, Ridgewood Road: dnelson@crec.org (Diane is planning the preliminary round for Friday, July 23rd)

Second Beach: Cindy Biancamano, Lake Shore Drive: cbaincama@snet.net (Cindy is wisely using the Second Beach "Pot Luck Dinner" on July 31st for their preliminary)

Third Beach: Gail Grzegorzczak of Glimmer Glen: gailwarning27@aol.com or 203-988-0559 (Gail has planned the preliminary round for August 7th)

RECREATION -CONTINUED-

We have obtained a great Country/Blue Grass Band called “**Turkey Foot**” for the August 14th Chili Cook-off Finals. This band is well known in the area and has a recently released a CD. Other surprises, including celebrity judges and western theme events, are still in the works. Come with an appetite for food, fun, and foot-stomping!!

LAKE HAYWARD RAGATTA: The interest so far includes races for paddleboats, canoes, and kayaks. Many have asked for male and female divisions and some youngsters also want to participate. This will be held during Lake Hayward Days but we will need volunteer help. Please contact or e-mail me at lakehaywardct@gmail.com to volunteer or comment. Thank you.

REMINDER: If you are exercising or exerting yourself in this extreme heat, remember to drink plenty of water, use your sun block, and take constant breaks in a shaded area. Heat exhaustion, dehydration, and heat stroke sneak up very fast but can be avoided! Take care!

EAST-WEST COMMITTEE

The East-West Committee of Lake Hayward will be presenting speakers and printed information regarding the new Septic Regulations on one or both of two dates: Friday, August 6th at 6:30/7 pm, and Saturday, August 14th from 10-12 at the Pavilion. We are interested in providing not only the new law and people who can answer your questions, but also a list of licensed inspectors/cleaners to do the work. We may also have septic tank installers present to explain design, costs, etc. This should be of critical interest to all of you, especially with the older systems, as we will be subject to fines for non-compliance with the law if the work necessary isn't done.

GARDEN CLUB

There will be a plant swap in the fall - Patriot's Day, Sat. Sept 11th 2010 at 10:00am. Please collect your pods, zinnias, marigold, coneflowers and sunflower heads. Put in a brown bag and label with flower and color. You can drop them off to Fred O'Dell or Sandra Zawistowski. Ed Clark will separate them.

From the Conn DEP, There has been a 60% decrease in bats in Conn. due to White Nose Syndrome. Bat houses should not be placed in trees. Houses should stand on a pole with a predator guard.
