CRAFT & TAG SALE

TODAY 9am - 1pm

Come on down to the pavilion this morning for some great deals. Enjoy a bit of breakfast and coffee while you browse our many tables of new and used items. The sale will end promptly at 1pm so come early for the best selection!

TOURNAMENT RESULTS

Last Friday night was the competition for the **Lake Hayward cribbage champion**. A very reluctant player, Fran Fantozzi, entered and steamrolled to victory through six games!! As we speak, Don is wiring a light on the mantle to shine on Fran's trophy! Great job Fran!

Forget the British Open-- last Saturday was the **Lake Hayward Golf Open** at Banner Lodge. Thirty six "semi-pro" golfers scrambled, but the team of Gary and Pat Magao, Dave Hammer, and Larry McNichols was victorious. Sue Wax had the longest drive and Gary Magao captured closest to the pin. Many thanks to Gail Gregorzak for awakening at 5:30am to serve coffee and breakfast treats and to Cindy Biancamano for providing a great cookout after golf. And I can't forget my co-chair, Fred O'Dell, for all his hard work in making this a great event.

- Don Biancamano

SAVE THE DATE

The **Setback Tournament** has been rescheduled to Friday, August 12th. Setback is a versatile card game similar to Bridge. Played with a standard 52-card deck, it can be played with two to six players. The game starts with bidding for trump suit, proceeds with the play of all six tricks, and then tallying of the points at the end. Join in the fun!

LAKE HAYWARD DAYS

The Lake Hayward Days Committee has begun the planning effort for this year's events. We are hoping for lots of volunteers to help with events of your choice. We are also hoping for record attendance to enjoy all the fun that is being planned. We will be including popular events and games from the past, both recent and some from years ago. We are also looking to add new events such as a kayak race. And we have some other surprises that are being worked on.

The Lake Hayward Days week will start with the Chowder Challenge on Saturday August 13th and will end with Swim Races, Beach Games and a Carnival on Saturday August 20th. Next week's newsletter will contain a full schedule of events. Be aware that some events will require pre-registration. We ask for your help volunteering and/or donating prizes. If you have any questions, ideas or would like to volunteer for events, please contact Larry Lusardi at larrylusardi@comcast.net or at 860-466-9379.

SOCIAL

A big thanks goes out to Don and Cindy Biancamano for putting together another successful golf outing. About 40 players participated in a scramble ending with lunch and prizes back at the pavilion. Ladies, there were only three women in play – let's dust off the clubs and get ready for next year. If you have an interest, please let us know and we can team up for practice. Scrambles are fun, fast, and you don't have to be a pro to get through the course.

I need help with finding two more judges for the Chowder Challenge. If you can help or recommend a "celebrity judge" that can join us for a couple hours, please call Gail at (860) 531-9008. If you are not entering a recipe, please plan to join us for the community tasting "Pot Luck". More details to come.

WATER METERS INSTALLATION UPDATE

The Connecticut Water Company has informed us that they have stopped water meter installation for the rest of the summer. The water meter installation project will start again in the fall. This will prevent any water disruption caused by the water meter installations for the remainder of the summer. The company reports that 94 meters have been installed which puts them well on the way to completing water meter installations this calendar year. As was mentioned at the association meeting in June, the average water user should see a reduction in water bills next year. In addition there will be only three bills annually vs. the current 12 bills. I trust that both of these items are welcome news. For additional information, please see the fact sheet from the June meeting on the Lake Hayward website or go to the Connecticut Water Company website directly at www.ctwater.com.

TRASH & RECYCLING

All-Waste Control will collect trash and recyclables twice a week (Monday and Friday) during the summer. The last Monday pickup will be August 29th, after which pickup will be on Fridays only. All recyclables can be combined and placed into a single container and put out with your regular trash. We must recycle:

- Glass and metal food and beverage containers (rinsed); lids go in trash (No broken glass, mugs, windowpanes, ceramics, light bulbs, mirrors, dishes or tempered glass)
- Plastic containers #1 through #7 (rinsed); lids go in trash
- Newspaper, magazines, cereal/pasta boxes, milk and juice cartons, junk mail; no phone books, wax- or plastic-coated cardboard, soiled newspaper or magazines, books, plastic (Tyvek) envelopes
