The days are clicking by between newsletters! I hope you are as excited as I am to see the Pavilion progressing and every day we are closer to the finish line! Thank you to all who continue to toil and meet to keep expenses down and help to get the project done in time and under budget!

I know there have been some questions on whether social events are still running or being moved, so thanks in advance for your flexibility and please do not hesitate to contact any member of the board or your beach rep with any questions. I do want to get the word out that we will be definitely be running this year's cook off on August 17th and it will be **meatballs** this year! We will allow different categories but the theme will likely be Italian Style. Remember, I am a South Philly girl, so I am looking for a challenge to my entry. The meatball challenge will kick off Lake Hayward Days and we will have a band that evening as well—Skyway will be playing. We will turn the event into a potluck with the association providing pasta, salad, and bread. If attendees would make a small donation or bring a dessert, we'd appreciate it! Entries should include at least 36 meatballs divided into two containers—30 meatballs for the public tasting and six for judging prior to the festivities. I am looking for three judges, so please write me if you have an interest and what your qualifications are! More info and a registration form to follow.

I would also like to follow up on a recent blog post regarding security. Just last week, I posted the phone number for the anonymous hot tip phone line you should use in the event you see something or have a complaint about party goers, etc. (Confidential Tip Line: 860-873-5013) I was disappointed that an owner chose to complain about the noise and unauthorized party on second beach, saying that the association failed to have security in place to address it. Sadly, we have members who are more worried about being thought of as a "snitch" than protecting the safety of our community. The board is constantly addressing options to deter unwanted loiterers on our beaches and people who disrespect the community. There are solutions on the table, but regardless of what we deploy, whether technology or manpower, there will always be the need for you to be a part of the process. Complaining isn't helpful and hoping that the solution falls on someone's else's plate is not realistic and not appropriate if you want to be a part of a community like ours. Whether you are an old timer who has seen it all, or new to the community, at some point, each of us needs to be responsible and step up, or dig deeper into our pockets to pay for services that we don't want to embrace.

But, as I am reminded each day, the season is short, so let's take the time to enjoy our beaches and our friends!

- Gail Grzegorzczak

SOCIAL

Cribbage Tournament July 19th 7pm

Joy the fun and the competition at 25 Wildwood Road. BYOB. Thanks to Dave Edgington for providing the venue.

Tag Sale rescheduled to August 10th 9-12am

Last year's sale was a great success so we are expanding it to the whole lake!! Spots at the pavilion are limited so it's first come-first serve by emailing Diane at flowers4diane@yahoo.com. A map will be distributed with names of cottages participating so send me your address and a short list of what you will have for sale and it will be given out at the pavilion. So clean out your closets and make some cash.

PARKING PASSES

There are still quite a few property owners who have not obtained their new parking permits. We surveyed the First Beach parking lot last Sunday and ticketed nine vehicles for no parking permit. The ticket said to call or drop by my house to get permits. I got two responses. If we don't USE our parking permit system, we have no way of determining whether parked cars belong to property owners or to people who don't have a right to park here. It might be any one of us who comes to the beach and can't find a spot because non-property owners are parked there. All you need to do is call or email me, Dave Glazier, at 860-537-6259 (Home); 860-917-5994 (Cell); deglazier@comcast.net
