What a great weekend it was. On Friday night, we had quite a crowd for Dis-Connected, spilling into the beach area and enjoying a beautiful evening. On Saturday, our Town Hall meeting was well attended. Our Lake Quality Improvement Committee provided an excellent update on the progress it is making toward improving our environment. Thanks to Randy Miller, Felicia Tencza and the committee for their hard work and devotion to the community.

And Saturday evening was an event to foster memories for years to come with Halloween in July. All of the excitement started Tuesday with Kids' Arts & Crafts where the kids (yes, this includes the parents who

deserve to be kids on occasion) created a dozen or so scarecrows used to spice up Halloween in July. Add to this the secrets of the Glaziers' spectacular October celebration, the creativity of Fran and Linda and all of their munchkins and the stage was set for a Spooktacular Saturday evening.

Whew, I don't know if I can keep up with the weekends in July. Today brings us Kathy Connolly, an award-winning designer (take a walk to Second Beach), sponsored by our Garden Club and the Lake Quality Improvement Committee from 10 a.m. to noon at the Pavilion. Learn how you can contribute to improving the quality of our life at the lake.

For those who have seen the Boat Parades of the last few years, who can forget the floating privy, Gilligan's Island, the boxing ring, hula dancers, sharks and all other floating wonders competing for trophies. Be sure to be at Second Beach at 1 p.m. today. Better yet, participate - register at noon at the pavilion and launch at the dog beach at 1. Avast ye matey, what will ya be today?

Tonight, we bring you Fusion and the Kickin' Chicken Food Truck. Read on for more details.

And Sunday, we rest. Have fun and be safe! Teach your children well.

- Bob Sudell

Public safety update: Light the way for kids; set a good example

Many of you have commented on the signs posted this weekend reminding members to "Walk Facing Traffic" and "Carry a Flashlight After Dark." Several thanked me for the timely reminders; several remarked that common sense wasn't so common anymore and one person was even very concerned, thinking that someone had been hit on the road, prompting the signs. No one has been hit yet

and we want to keep it that way. Safety starts with the adults in our community. Please lead by example - walk facing traffic and teach your children to do the same. Our roads are narrow, winding and busy so stay alert at all times and step onto the shoulder when a car approaches. You can't get out of the way of oncoming traffic if you can't see it.

Our roads are also dark, with few streetlights. Ideally those out after dark should wear something reflective but, at the very least, you should carry a flashlight. No flashlight at the cottage? Download a flashlight app to your smartphone. No smartphone? Go to the Dollar General in Colchester and pick up a flashlight and batteries. Stay safe.

- Bonnie Sudell

Social update: Series of fun times continues this weekend with three big events

The calendar located at <http://lakehaywardct.com/html/calendar.html> is your reference to the season's events. Please visit often as updates are made frequently. You will also see calendars included in the electronic and printed weekly newsletters. Other event information can be seen in the kiosks at each beach.

Events not on the calendar

Do you want to sponsor an event that is not yet on the calendar? If you don't see an event from the past on the calendar and would like to bring back and sponsor that event, please contact Don Smith (860-338-1659) or email at don-smith@donsmitty.com.

Upcoming Events

Today at the Pavilion, a Lake Garden Event with Kathy Connolly will be held from 10 a.m. to noon. Learn what riparian areas are and how these ecosystems differ from upland vegetation. Learn about plants for riparian areas and how they prevent erosion of the soil, how they influence lake water quality and the health of the wildlife in and around the area.

Today from Dog Beach to Second Beach, Lake Hayward's annual Boat Parade. Registration is at the pavilion at noon; parade starting at dog beach at 1 p.m.

Tonight at the Pavilion, the second food

**What: Beach and
Carnival Games
meeting.**

**When/Where:
11 a.m. July 26,
Pavilion.**

and band event will bring you Kickin' Chicken food truck beginning at 6 p.m. and Fusion returns as the night's band entertainment playing from 8-11 p.m. View this event's poster and food menu at <http://www.donsmitty.com/Fusion.htm>. Since the food truck will be there from 6-9 p.m. or later, you don't have to get in line right at 6 p.m. Maybe spacing it out will help with the long lines/wait for food.

Note: CPR Class with Bonnie Sudell on Aug. 1 has been cancelled.

Aug. 1 at Second Beach, Pot Luck Dinner will be held at 6 p.m. Bring your favorite dish and a side or dessert to share along with serving utensils. It's BYO tables and chairs or a blanket to eat at, dishes, utensils and drinks. As always, all association members are welcome at this event.

Aug. 1 at 113 Lake Shore Drive (the Sudells) at dusk, Movie Night returns with

the 1987 classic "Spaceballs." Starring Mel Brooks (who also directed and produced), John Candy and Rick Moranis among others, "Spaceballs" is an irreverent farce, lampooning everything from Star Wars to Star Trek. (Rated PG, length of 1 hour 36 minutes). Walk across the street after the pot luck to reserve your seat, then go home to make popcorn to enjoy at the movies.

Important Lake Hayward Carnival and Beach Games Meeting

Aug. 22 is fast approaching. We need all hands to either help make activities or to donate a couple of hours of time on that day.

The Beach Games are 12-2 and the Carnival is 3-6. **Please come to a short one-hour meeting on July 26 at 11 a.m. at the Pavilion and find out how you can help to make it a very memorable day for our Lake Hayward kiddos.** Contact Diane Nelson at 860-305-7305 or flowersrdiane@gmail.com.

Lake Hayward Days volunteers needed

Diane & Linda are planning for our annual beach and carnival day being held on Aug. 22 from noon to 6 p.m.

It takes many volunteers to help with each activity and game. Please volunteer for this afternoon of fun and games. Diane can be contacted at 860-305-7305 or flowersrdiane@gmail.com.

By Don Smith

Last weekend was a blast with two great events that brought out huge crowds. Pavilion rental reminder: Dos and don'ts for hosting private parties

By Bonnie Sudell

We are very proud of our new pavilion and happy that so many members want to show it off to family and friends by reserving it for private parties. Don Smith does a fantastic job coordinating events and managing the reservation process. Recently we have noticed that staples and tape have been used to affix decorations, and cars without parking permits have been parked at the First Beach parking lot.

The 2015 Pavilion Registration Form, available on our website, states in part:

The Pavilion registration form can be found on the website.

- No fires of any type
- No use of grills within 20 feet of the pavilion
- Cars parking in a beach parking lot must display a current POALH parking pass. No additional parking passes will be issued for guests attending private parties. Additional parking at the ball field is available for your guests.
- No taping, nailing or thumbtacking of decorations or signs to any wall, door or pillars

- No fires of any type
- No use of grills within 20 feet of the pavilion
- Cars parking in a beach parking lot must display a current POALH parking pass. No additional parking passes will be issued for guests attending private parties. Additional parking at the ball field is available for your guests.

Please respect all who wish to enjoy First Beach and everyone will make happy memories at Lake Hayward.

Goodspeed summer music series continues Mondays in East Haddam village

All free concerts are held on Monday nights from 6:30-8:30 p.m. at the green of the Goodspeed Opera House. If it rains, the concerts will be moved to the Hale-Ray High School Auditorium (please call the Recreation Office 860-873-5058, check www.easthaddamrec.com or their Facebook page if weather is questionable).

Great food and drinks will be available to purchase at the Gelston House or bring a picnic dinner.

Free parking is available in the Goodspeed Opera House parking lot, behind the Gelston House with additional parking and a shuttle bus from Eagle Landing in Haddam if needed.

All children under the age of 16 must be accompanied by an adult. No dogs, smoking, vendors or soliciting at the concerts and no parking on residential streets are allowed.

July 27: Occidental Gypsy

Occidental Gypsy play an exhilarating blend of gypsy swing, jazz, and world music; with riff rich roaring acoustic sound and sultry vocals reminiscent of the first era of

swing. This Globe Trotting band has shared the stage with virtuosos too numerous to mention receiving accolades from their peers and audiences around the world.

Aug. 3: River City Slim and the Zydeco Hogs

River City Slim & The Zydeco Hogs bring the exuberant sounds of the steamy bayous of southwestern Louisiana to the hills of New England. The Zydeco Hogs cook up a spicy musical gumbo that combines the traditional sounds of the button accordion and washboard with a driving, syncopated beat. The Hogs turn every venue they play into a rockin' Louisiana dance party!

Aug. 10: Last Fair Deal

Last Fair Deal continues to redraw the map of American Roots music with energy and creativity. Their eclectic repertoire reflects influences in bluegrass, jazz, acoustic
