

Lake Hayward Newsletter

August 13, 2005

From the President Tim Pelton 537.5181

In the interest of space I will keep my message short since the attached copy of the minutes from the June meeting is lengthy. Please review the minutes at your leisure.

ATTENTION KAYAKERS

I have been approached by Ken Kline on east side of the lake to hold a kayak regatta over the Labor Day weekend. The details are still being worked out (a parade, maybe prizes for decorated kayaks, etc). I am looking for an interested kayaker from the Association to be the contact person and coordinator for the POALH. If interested, please call me at 537-5181 or tim@holdsworthpelton.com.

Volunteers Needed for Lake Hayward Days

There are events scheduled all week long from August 21st through to the carnival on the 27th. Please drop me an email tim@holdsworthpelton.com or leave a message on my phone (537-5181) that you would like to volunteer and help out an event during LH Days and we will call you back. Examples may include judging the Little Miss Lake Hayward contest, selling food tickets at the carnival, lending a hand at the cake walk, or helping out with many of the fun games held on the beach. Lake Hayward Days is a fun time for the kids and adults alike. Come make it even better by personally participating and lending a hand during this special week.

Alice Miles

The Lake Hayward family offers condolences to Gertrude Smith of Lake Shore Drive on the loss of her husband, Gerrish Smith.

We also send out special thanks to Catherine and Thomas Macri of Glimmer Glen for their wonderful donation in memory of Jim Spooner and to Ruth and Mark Chalmers for their generous donation in memory of John D'Amato.

I am so happy to tell you all that our dream of erecting new flagpoles at both 1st and 2nd Beach is now a reality. We will be purchasing the poles very soon and the work should begin in September when the beaches are a bit quieter. Thank you to all who supported this project --- I think it will look beautiful.
