Tomorrow's the Big Day

The Annual Meeting of the POALH membership will be held tomorrow August 21st starting at 10 AM at the Pavilion. Coffee "and" will be provided. Everyone is encouraged to attend. Please arrive a little early as signing in attendees takes a little time.

The agenda includes running through the routine business of managing the Association, updates on Lake Hayward Days, final discussion and actions to be taken regarding the First Beach Area, and the approval of the operating budget. Jeff Walter will discuss the results of the First Beach postcard survey.

We are still looking for some additional help for Lake Hayward Days and sign up sheets for volunteers will be available at the meeting.

Boating Safety

I'd like to take a moment and simply refresh everyone's memory on some common sense boating safety rules provided by CT DEP and special attention is needed for both adults and children in kayaks and canoes.

- Proper personal floating devices (PDF) must be Coast Guard approved
- Children under 12 years of age need to wear a PDF
- PDFs are not meant to be boat fenders or seat cushions
- CT Law requires that *everyone* wear a PDF from the period October 1 through May 30
- 85% of boating related drowning accidents could be prevented if people wore a PDF

Most folks won't dream of taking their children for a drive and not having them wear their seat belt. Let's use that same mentality with children and PDFs.

ATTENTION KAYAKERS

I have been approached by Ken Kline on east side of the lake to hold a kayak regatta over the Labor Day weekend. The details are still being worked out (a parade, maybe prizes for decorated kayaks, etc). I am looking for an interested kayaker from the Association to be the contact person and coordinator for the POALH. If interested, please call me at 537-5181 or tim@holdsworthpelton.com.

Memorial Fund Alice Miles 537.3611

The Lake Hayward family offers condolences to Valerie Torphy of Lake Shore Drive on the loss of her husband, Walter, who passed away in July. We also thank Valerie for her wonderful donation to the Memorial Fund in memory of Walter.

We also offer sincere condolences to Marie Shamasian of Glimmer Glen on the loss of her husband, Boghos.

A great big thank you to Barbara and Richard Carman of Lake Shore Drive for their generous donation in memory of Sue Anderson.

Now it's time to eat a little crow! Will the person who sent a donation in memory of Gerrish Smith please contact me so I can acknowledge your donation. My brain must have stopped working for a bit as I wrote down the receipt of your donation but not your name and I sincerely apologize.

Results of the John D'Amato Memorial Cribbage Tournament

The winner of the 2005 John D'Amato Memorial Cribbage tournament is Herb Schwab from Clinton, Ct., Cindy B's Dad. He's been playing for over 50 years and still going strong at 86!

Ray Brignano, (not quite as old!) was a close runner-up. Lucky for all of us, our defending champ, Gail Eddington, had an off night. Watch out for future tournaments... we had a couple of youngsters (namely Blake and Austin) who appear to be in the running for the trophy!

As usual, we had a good crowd and a lot of fun. Dust off the boards for next year.

We Know You're Out There!

We're looking for former Little Miss Lake Haywards! This pageant has been going on for 60 years, so call Sue Kumro at 537.4439 and let her know when you reigned over the vast kingdom of LH. (It would be really great if you could come to the pageant on Monday, August 22nd!) Does anyone have a list of all of our pageant winners?

Yeah, Fran!

On August 7, **Fran Lang**, of Lookout Drive, sang "The Star Spangled Banner" at the start of the Norwich Navigators' game at Dodd Stadium.

Many neighbors from Lookout were there to appreciate her great voice. She has agreed to sing again next year and we hope that more members of the Lake Association will attend. The Navigators won 5-3 over the Harrisburg Senators.
