More on Lake Hayward Days

It's coming back. ***Horse Racing at Hayward Downs***. The casino's sport books have nothing on us and think of the money you'll save on gasoline. Friday night August 26th starting at 7:30PM at the Pavilion. There will be a total of 8 races and maybe even a daily double. All the necessary materials will be provided. BYOB and bring a lot of singles. Cheer on your horse, have a boatload of fun and maybe even win a few bucks on every race. *"And they're off! It's Lucky Dan into the first turn followed closely by Pretty Lady..."*

Volunteers Needed

Clearly the joy and success of the weeklong Lake Hayward Days celebration and carnival on August 27th is directly proportional to the amount of volunteers we have. Some folks graciously donate the better part of a day and some simply help out at a single event. In either case, many hands make for light work.

There are events scheduled all week long from August 21st through to the carnival on the 27th. Please drop me an email tim@holdsworthpelton.com or leave a message on my phone (537-5181) that you would like to volunteer and help out an event during LH Days and we will call you back. Examples may include judging the Little Miss Lake Hayward contest, selling food tickets at the carnival, lending a hand at the cake walk, or helping out with many of the fun games held on the beach. Lake Hayward Days is a fun time for the kids and adults alike. Come make it even better by personally participating and lending a hand during this special week.

Lake Water Quality

As we continue to work to preserve the quality of the water in the lake, there are some very preliminary discussions taking place with the Town, the East Haddam Lakes Association, the Chatham Health Department and CT DEP. The goal is to explore if any grants are available to monitor watershed and storm water runoff and what impact those events have on the lakes in East Haddam. Again this effort is at the preliminary stage and I will keep you posted should anything of substance evolve.

Little Miss Lake Hayward Pageant

Girls ages 5 to 12 are eligible to compete in the Little Miss Lake Hayward Pageant (Monday, August 22nd). If you are interested in participating, call Sue Kumro at 537.4439 before August 15th. There will be rehearsals. We are very grateful to Sue for coordinating this event for several years. However, she is looking to pass this event on to someone else next year. Please call Sue **now** so you can shadow her through the 2005 Pageant and be prepared to take over in 2006. This has been an annual event for many years. We need your help to keep it going in 2006.
