PRESIDENT'S MESSAGE

Welcome back everyone!

To all new property owners , welcome to a very special place. The board never sleeps. We've had meetings throughout the "off season" to be sure that the summer is great for everyone.

I've noticed as I walk each morning that many of our properties aren't numbered, or not numbered clearly. PLEASE... look at your property and if the numbering isn't sufficient, fix it. This is very important in case of fire or an emergency.

Don' t forget to bring your old cell phone to the pavilion during any social activity. We, as an association, will be donating them to cell phones for soldiers.

The board has noticed that the golf cart "population" is spreading quicker than the pontoon boats!! Let me remind you that these vehicles can only be used on your own property. They are not registered and it is ILLEGAL to drive them on the public roads. No lights, no seatbelts, etc. make them unfit for the roads. We don't want to see any accidents this summer so again, keep them only on your property.

Pavilion Reservations - Please call Ray Brignano. Home 561-1034.

Please note that there has been a couple of changes to the social calendar.

If you need to contact your district representative they are:

- 1st beach Alice Miles, Rich Harmon
 - 2nd beach Ray Brignano, Dave Edgington
 - 3rd beach John Jacoby, Cindy Biancamano
- All phone #'s are on our website <http://www.lakehaywardct.com>

Have a great summer.

Cindy Biancamano

ROADS AND BEACHES

Well another summer season is upon us . I hope this is going to be a nice warm summer for all our beach goers. Lets have a fun and safe season. Please help out our beach rakers this year by filling your holes in and throw your trash in the cans; also any broken chairs or umbrellas please take them back to your home because the garbage men will not take them. Thank you . Speaking of beach rakers I need a beach raker for 2nd beach if anyone is interested please contact me. In a few week there will be new street signs appearing on your street. Steve Simmons and his son are doing this for an Eagle Project. I am looking forward to see them. Thank you.

Have a great summer,

John Jacoby

MEMORIAL FUND

We lost three very familiar faces over the fall and winter here at the lake with the passing of Reggie Kress, Rich Day and Josephine Brignano (Ray's mom). Memorial contributions were sent from our membership to the Breast Cancer Research Foundation, the American Heart Association and the CT Chapter, Lupus Foundation in their memory and we again express our deepest sympathy to their families.

We received some very generous contributions in memory of Rich Day from Sandy and Gary Zawistowski, Carolyn, Dave, Pat and Jim LoStocco, Alice and Bill Miles and from Richs widow, Tess Flynn-Day. Our sincere thank you to each of you. We will be purchasing new flags for each of our beaches with these Contributions. Speaking of contributions, I have had a few inquiries about a memorial bench or tree or something in memory of Reggie Kress. Would love to do something special in her memory so if you are interested, please send your donation to the POALH Memorial Fund, PO Box 230, Colchester, CT 06415.

Finally, a really big THANK YOU to Jean Quinn who purchased and donated the new bench at 1st Beach in memory of Brian Johnson. Love the dedication Jean!!!

RECREATION

Swimming Lessons

Chris Husta will join us for a 3rd year to teach American Red Cross Certified Swimming Lessons. For those of you who don't know Chris, in addition to

being a Lifeguard and Water Safety Instructor, he is also a nationally recognized swimmer and one of the top 18 swimmers in the state. Chris has proven himself to be a dependable and creative asset to our swim program.

Swim lessons will begin July 7th. There will not be a test date this year since we expect mostly repeat customers from last year. If your child has never participated in swim lessons at Lake Hayward - don't worry, Chris will fit him or her into the appropriate class.

If you haven't sent in your signup forms yet, but intend to participate, please call or email me immediately so that we include your child in our schedule. Check the bulletin boards at each beach the weekend of July 4th for the Swim Lesson Schedule. We will also call you with your lesson time that weekend.

Please feel free to call or email me at 295-9743 or poalhswwimming@comcast.net with any questions or concerns you may have (compliments are good too!).

EAST-WEST COMMITTEE

You are invited to the **2nd Meeting of the All-Lake Hayward Community**, sponsored by the **East-West Committee**, to be held at the Pavilion this next **Wednesday, June 25th, 2008, at 6 p.m.** The speaker will be **Chuck Lee of the Department of Environmental Protection**, who will focus on lake water quality and weed and algae growth, how they get started and what we can do to prevent it. He is also knowledgeable about lake organizations in CT and what is going on in other areas.

This will also be a **social event as well**, so cookies, chip & dips, soft drinks and maybe coffee will be offered. Anything you would like to bring to help would be appreciated. Any other drinks are BYOB. Last Saturday's **1st Meeting** went well: everyone introduced themselves and **Tim Pelton** spoke about the history of the treatment of weeds here at Lake Hayward.

About 40 people attended, many of them from East Shore Drive. Any questions may be directed to **East-West Committee members:** Linda E. Ryder-Munet, chair (537-2052), Kathy Klein (537-6070), Sheila Laverty (860-818-2350), Randy Miller (203-641-9902), Pat Thomas (537-6517), and Sandy Zawistowsky (537-5229). Plantings: This season, we would like to install a perennial bed around the Lake Hayward sign at the North entrance. We're also making plans to plant around the trees at second beach. Extra hands are always welcome.
