PRESIDENT'S MESSAGE

Summer is in full swing. The pig roast was a huge success. It's great to see so many members at these functions. The results from last night's setback tournament will be in next week's newsletter. The board is meeting with the men from our trash company to discuss East Haddam's possible resistance to him dumping our trash at that facility. Will keep you posted. Have a great week.

Cindy

PARKING & SECURITY

There have been a few changes in guest passes. The old yellow passes are now null and void. You must obtain new guest passes from myself. There are two guest passes allotted per household, or lot, which are permanent and reusable. To find out more information about such passes, please contact my house @ 537-9202. Please remember that new permanent parking passes were distributed last year and are still good until 2010. These passes are white with blue lettering. If you or your immediate family need the permanent parking passes, please contact me at the aforementioned phone number.

To the people that email me, please understand that I do not check my email on a daily basis, but I will get back to you ASAP. If anybody sees any non-lake members without a valid pass, please contact me with a license plate number. I will be forwarding all information to the East Haddam Police Department. Please remember that this is our lake and we all need to help keep out non-members or uninvited guests.

In the event of an emergency, it is easier to find your house when it is clearly numbered. Please check your house and make sure that your house number is clear and visible from the street. This will make the emergency responders respond to your needs faster.

MEMORIAL FUND

Our fund drive for a memorial in memory of Reggie Kress is off to a fantastic start with a very generous donation from Alfred and Lynn Tosetti and Dennis, Jan and Quinn Michels. Special thanks to you all. How about a few more donations so we can purchase something special. New flags were purchased for all our beaches in memory of Rich Day and those needing replacement were changed before the 4th of July holiday.
