Message from the President ~ Tim Pelton 537-5181

I'd like to take this opportunity to provide you with a recap of the June Meeting of the membership if you did not have a chance to attend the meeting.

First Beach - The renovation of First Beach is coming along nicely but the wet weather this spring definitely threw the completion timetable off. All things considered the tennis courts should be fully functional soon after the July 4th holiday. The area looks great and special thanks go out to Andy Lord and John Jacoby for their assistance in managing the project start to finish.

Weed Treatment - Following an inspection of the lake by the weed treatment company, it was determined that treatment of the entire lake would not be required this year and only the lagoon at Second Beach needed a booster treatment. The treatment was completed in mid-May at a cost of \$3000.00.

Spring Packet and Address Changes – There has been a number of property turnovers this year and if you got this newsletter and did not get a packet of information mailed this spring, please contact Charlotte Basney at 537-5432 and she will deliver a packet to your cottage. If you have had an address change and have not yet shared it with Alice Miles, please give Alice a call at 537-3611.

Taxes – Due to several property turnovers and a lot of hard work by Don Biancamano, the Association has collected more taxes than budgeted in this year's budget. Special thanks go out to Don in recognition of his hard work and the fact that Don's workload doubled this year doing both the annual taxes and First Beach Special assessment.

Parking – Everyone is reminded that association parking stickers are required on all vehicles parking in Association parking areas. Temporary guest parking passes are to be used when friends come to visit. Please indicate your cottage address on the pass and the day the parking pass is to be used.

Social Events – Robin Constable has created a very exciting social calendar this year and details will be provided in each week's newsletter. Swimming lessons are getting underway and with the tennis courts almost done, Robin will explore providing tennis lessons if there is sufficient interest. Anyone interested in tennis lessons or anyone interested in helping out with the social calendar should give Robin a call at 295-9743.

Roads & Beaches ~ John Jacoby 537-6908

On July 15th at 8:00 am we are going to have a "Clean Out the Pavilion" party. Looking for volunteers: bring your cordless drills, hammer, etc. We also are going to try to fix any of the damaged picnic tables that can be repaired. Pick up trucks welcome for dump runs. Any questions contact John Jacoby at 537-6908.

Parking & Security ~ Rich Harmon 537-6908

Hello again Lake members. I hope the summer is off to a great start for everyone. There are just a few things this week. Of course, if anyone needs parking stickers or guest passes, you can email me @ poalhparking@sbcglobal.net, or call me @ 537-9202.

We have had some problems concerning teenagers from Colchester using vulgar and offensive language on the beaches. If you happen to experience this, please contact me or the police, as it is totally unacceptable behavior.

On your contact information lists, the correct phone number for the Resident State Trooper is 873-1226. There was a minor error on that in last week's newsletter.

I also have a big favor for all of our senior members of Lake Hayward. The 50th anniversary of the Lake Hayward Fire Station is coming up and I am in search of any photos or news clippings of the old firehouse (Shaw Lake Fire Dept.). It would be greatly appreciated if anyone is willing to share these.

My last announcement...We are still looking for help on Friday, August 25th and Saturday, the 26th for Lake Hayward Days. We would like to have as many young adults (that means you, teenagers) as possible this year to help out. Please contact either myself, or my wife, Courtney if you would like to help. We would like to assign people to games to have a smoothly run day. There will be events for children and adults of all ages.

Thank you to all who have been helping out as far as keeping our beaches clean and safe goes. I know that there are several Lake members who have asked outsiders to leave, and that is very much appreciated. Keep up the good work!

Teen Club Update!

The Teen Club had their first meeting on July 4th and several important items were discussed. The first item of importance was recruiting members and coming up with ideas to earn money. Our first fundraising event will be selling ice cream on the pavilion on Saturdays and Sundays from 2-3pm (\$1 each). The Teens have also decided to donate a portion of their proceeds to Alex's Lemonade Stand, which assists children with cancer. You can visit Alex's Lemonade Stand online at www.alexslimonade.org for more information about the charity. Several other fundraisers are also being discussed, such as a car wash, tag sale and selling hot dogs on Bingo night.

Teen Club meetings will be held on Monday nights at 7PM at 1st Beach, and every teen is encouraged to attend.

Anyone interested in participating or lending a hand, please contact Sue Kumro at 537-4439.

Julie Stewart of Creative Memories has volunteered her time and expertise to teach an introductory class in scrapbooking for kids. Please bring 5 pictures and everything else will be supplied (lots of cool cutting tools will be provided plus stickers, paper and adhesive). The cost is \$10, which Julie will collect at the door. If your children are interested in attending this event please rsvp to Robyn at poalhrecdirector@comcast.net or 295-9743 so we can make sure we have enough supplies on hand.
