Backyard Checklist for Preventing the Breeding of Mosquitoes

Here are some things you can do around your house to prevent mosquitoes from breeding. Start by getting rid of places where mosquitoes can breed, such as:

✓ In Standing Water

- Don't allow any outside water to stand for more than four days.
- Drill holes in the bottom of any unused containers so water can't collect.
- Remove or drain any standing water from birdbaths, discarded tires, flowerpots (check the dish underneath the flowerpot), wheelbarrows, barrels, tin cans that are left outdoors.
- Change water in animal watering dishes at least twice a week.

✓ In your eaves and drains

- Clear leaves and twigs from eaves, troughs, storm and roof gutters.
- Make sure that drainage ditches are not clogged.
- Check flat roofs frequently for any standing water.

✓ Around your yard and lawn

- Fill in any low depression areas in lawns.
- Repair leaky pipes and outside faucets and remove air conditioner drain hoses frequently.

PERSONAL PROTECTION FROM MOSQUITOES

If you like to work in your garden, avoid early morning and evening when mosquitoes are most active.

- Wear long-sleeved shirts, long pants and socks when outdoors during these active times. Apply insect repellent to any exposed skin, sparingly.
- Do not apply repellent on children under two years of age.

Let's not take advantage of a good thing

It takes a fair amount of time and energy to put the newsletter together each week and I would like to avoid having the classified ad section becoming bigger than the Hartford Courant. It is meant to be a valuable public service to each of our members.

To that end I would like to setup the following guidelines:

- Each ad will expire each week
- Ads need to be limited to 25 words

Parking & Security ~ Rich Harmon

Hello Lake Members. Everyone should know by now, if you need stickers or guest passes, please contact me @ 537-9202 or email me @ poalhparking@sbcglobal.net. I appreciate everyone's cooperation thus far this year. I just want to let you all know that I have been notified of some personal belongings missing from vehicles parked at the beaches. Please, do yourself a favor and lock up your vehicles while enjoying the beaches. If you do find that there are items missing from your vehicles, don't hesitate to contact the police.

Please continue to keep up the good work with keeping our beaches safe, and adhere your stickers to your vehicles. When using guest passes, please write down your name and address, as well as the date that the pass is being used. I ask for that specific information because a few lake members have given passes to local businesses that are using our parking facilities for their own personal business.

We are still looking for help from anyone who is willing to help out with Lake Hayward days. The more volunteers we have, the more smoothly it will run.

Thank you. Continue to enjoy our beautiful lake this summer!

Recreation ~ Robyn Constable

Scrapbooking for Kids

Julie Stewart of Creative Memories has volunteered her time and expertise to teach an introductory class in scrapbooking for kids. Kids ages 8 and up are welcome to join her at the pavilion to create a fun photo sharing card (mini scrap book) on **Thursday, July 20th** from 7 to 9 pm. Please bring 5 pictures and everything else will be supplied (lots of cool cutting tools will be provided plus stickers, paper and adhesive). The cost is \$10, which Julie will collect at the door. If your children are interested in attending this event please rsvp to Robyn at poalhreccdirector@comcast.net or 295-9743 so we can make sure we have enough supplies on hand.

Arts & Crafts

Kids- Don't miss Arts & Crafts from 7-8 pm on Wednesday nights at the pavilion.

Kiddie Bingo

Kids of all ages are welcome to meet us at the pavilion for Kiddie Bingo on Tuesday nights from 7-8pm.

Swimming Lessons

Swimming lessons are in full swing. I still can't believe that we had 110% participation on testing day in the pouring rain! Everyone that signed up for lessons (and then some) showed up and got in the water (I did mention in the pouring rain, right?). The kids really deserve a pat on the back for that! Thanks for bearing with us while we tweak the lesson schedule. Keep in mind that swim lessons will take place rain or shine this summer (with the exception of thunderstorms). Your feedback on the swim program is valuable to me, please feel free to email or call Robyn at poalhreccdirector@comcast.net or 295-9743 with any constructive criticism (or compliments, of course) and I will do my best to accommodate everyone.

Tennis, Anyone?

The tennis courts are complete and we are planning on moving forward with lessons. Please email or call me at poalhreccdirector@comcast.net or 295-9743 if your children would like lessons or if you are interested in teaching the lessons.

Social ~ Cindy Biancamano

Last week's ice cream social was a hit. 91 sundaes were enjoyed!!! Thanks to all who came. Tonight is a great night at the pavilion with a live band. This is sure to be a lot of fun. You won't even have to cook as the teen club will be manning the "Hayward Hot Dog" cart, complete with dogs, chips and drinks at very reasonable prices. Don't forget the scrapbooking class on the 20th at 7. On July 22nd we have our setback tournament. All levels of players and all ages are welcome. Bring a deck of cards if you can. **CHANGE OF TIME TO 6:30.**

NEW ADDITION TO THE SOCIAL CALENDAR:

July 29th-- Another live band, Barry Osalza has graciously offered to have his band play for us. Come listen to our neighbor's band. That's it for July.

We have a few changes coming up in Aug. also. We'd like to add a pasta dinner on Wed. Aug. 23rd, during Lake Hayward days. Is anyone available to run it? Please let me know. 537-3577.

Memorial Fund ~ Alice Miles

The Lake Hayward family offers sincere condolences to the family of Irene Kozlowski of Forest Way. I just learned that Irene had passed away last February and apologize to the family for being so late in sending our condolences. *(Continued on page 3)*
