Message from the President ~ Tim Pelton

Wow we are into August already!

That means that Lake Hayward Days can not be too far off. It is going to be a VERY exciting week full of activities for both young and old. The week's activities will be outlined in detail in the newsletter. But we cannot do it alone. We need your help. Extra volunteers are needed both on Friday night August 25th to help out with carnival games and during the day on Saturday to help out with the Masons' Connecticut Child Identification Program.

With this program the Masons will collect or update the following information on your child: a color photograph, a dental impression, a DNA sample, a set of fingerprints, a saliva sample to assist tracking dogs, and a VHS taped interview to record the child's speech pattern, mannerisms, and important characteristics.

This service will be provided *at no cost to you and your child*. All the work is performed by Mason volunteers and it is part of their commitment to public service. The Masons **keep none of the data and information**, it is all given to the parents to maintain in a safe place (and bring on vacation) and hopefully you will never need to use it.

The plan is for the Masons to be at the lake on Saturday August 26th which is also the day of beach games during Lake Hayward Days. They will set up their operation in the tennis court and will be available from noon until 4 PM.

Again it is unfortunate that parents need to be concerned about child abductions, but what better tool to have available should such a crisis occur. Everyone is encouraged to take advantage of this valuable community service and special thanks goes out to Dick Bailey for recommending and volunteering himself and the members of his Freemasons' Lodge.

To volunteer to help out with the carnival on Friday please contact Rich at 537- 9202 or Robyn at 295-9743. (you will have more fun than the kids!) To volunteer to help out with the vital child ID program, please call Tim Pelton at 537-5181.

Thanks very much to Barry Osalza and the band 9 South for a great night of entertainment. Their music kept everyone dancing till after 11! Barry, as a resident of the lake, donated the band for the evening. Please take the time to say thanks if you see him around. That exemplifies the true spirit of living at Lake Hayward.

Scrap booking For Kids/Teens - Again!

The kids had such a great time - they want to do it again! Julie Stuart has offered to run another scrapbooking session on August 17th at 6 PM. Kids and teenagers age 8 and up are welcome to join her at the pavilion to create a fun photo-sharing card (mini scrap book). Please bring 5 pictures and everything else will be provided (stickers, paper, adhesive etc). The cost is \$10.00.

For kids or teens that want a larger scrapbook – Julie will get you started and you can complete the rest at home. You will get a kit all your own. This includes an album (in Blooming Pink or Techno Lime) a pack full of stickers, paper and journal mats, a colorful pen, adhesive and page protectors. This kit can be purchased from Julie for \$25.00 (this is a significantly reduced cost!) Please specify which scrapbook you would like to complete so Julie has enough supplies on hand. Please RSVP to Julie at 860-355-4638.

Arts and Crafts

You asked for some more advanced arts and crafts, so here they are! Alternate crafts will be provided for younger children.

August 9th- Make an Indian Dreamcatcher

August 16th - Jewelry Making

Memorial Fund ~ Alice Miles

The Lake Hayward community offers sincere condolences to Karen VanZetten on the loss of her Dad.

Pam Riddel passed away on July 21st, 2006. She was a resident at Lake Hayward for over 20 years. Our condolences go out to her family and friends.
