Parking at the Pavilion

At the June meeting there was a lot of discussion about parking in the First Beach parking lot. The core issue being the over utilization of cars of guests parking in the lot while attending a reserved event (birthday party, baby shower, etc.) at the pavilion.

To better manage that situation members reserving the pavilion will be given four pavilion parking guest passes (note: not the standard parking passes you got in your spring packet) to be issued only for the day of the event. All other guests are asked to park at your cottage and walk and/or shuttle to the pavilion. The pavilion guest parking passes will go into service as soon as we can print them and Ray Brignano will be responsible for distributing them to the member reserving the pavilion.

In the event there are a number of 'unmarked' cars in the parking lot and an event is going on at the pavilion, any POALH member can approach the host of the party at the pavilion and ask that the extra cars of any party attendees be moved out of the First Beach parking lot.

Lake Water checks out OK

Thanks to Dean Anderson weekly testing of the lake water quality is again underway at each of the beaches and all test results thus far have come back well within normal ranges.

Parking & Security - Rich Harmon 537- 9202

Hello Lake Members,

Well another season of stickers is upon us. Stickers need to go in your vehicle's back window. If any members need additional permanent parking or guest passes, please contact me.

Guest passes need to be filled out completely. They require you name, address, and a date not to exceed one week. If your guest pass is not filled out correctly, your party will be asked to leave the parking lot. When giving guest passes, please limit the number of passes you hand out. This will allow fellow members to park and enjoy the lake also.

If any member finds a vehicle that does not have a valid Lake Hayward Association pass, please provide me with a license plate number and the state in which it is from. I will then take the appropriate action that is necessary.

Also, as an emergency service provider, I ask all of you to please clearly mark your house and mailboxes. This will provide a quicker response time should there be an emergency at your residence. I can further assist you on where mailbox markers can be made and purchased for 15 dollars.
