### Message from the President ~ Tim Pelton

A brief word about our beach rules. The folks that serve on your Board are there to govern and direct your Association. They are not the Beach Police. If you observe someone violating the rules below, you should *politely* remind them that there are beach rules and the rules are in place to enhance everyone's enjoyment at the beach. It's real simple. If everyone does their part and 'plays by the rules', the beach is the greatest place to go to for relaxation and having fun.

The top ten beach rules are:

# 10. Cars parking in a beach parking area must display a POALH parking sticker or a dated guest pass.

# 9. Use of the beach area is limited to Association members and their guests.

# 8. All trash and cigarette butts must be removed from the beach and be properly disposed of.

# 7. There is no swimming after 11 PM.

# 6. When passing a beach area, dogs must be on a leash. Dogs are never allowed on the beach.

# 5. Use of boats and watercraft within the swimming area or within 100ft. of rafts is prohibited.

# 4. Fishing within 100 feet of the swimming area is strictly prohibited.

# 3. Infants must be in leak-proof diapers at all times.

# 2. Children cannot be left at the beach unattended.

And the Number One POALH beach rule is:

# 1. Parents or chaperones are responsible for their child's safety and their child's actions at all times.

## Announcements:

### Stretching Out Your Summer:

Yoga class will be held on Sundays at 40 Glimmer Glen at 8:30 AM. Please come and join us. Students can park at the third beach parking lot and walk down past third beach to Glimmer Glen. I am the 5th house on the left. We will be practicing on the lawn by the lake. Please bring a yoga mat (I will have a few extra), beach towel and water. I look forward to seeing everyone again and also any new faces. Donations accepted.

-----

**Digital Storybook Hour:** Come share a little bit of Lake Hayward history at the pavilion on Sunday night, July 29th at 7:00 PM. Julie Stuart will be there to take down your memories for the Lake Hayward Storybook that will be published in August in honor of the 50th anniversary celebration. She would love to hear tidbits or stories from the early days of the lake!

-----

**Lake Hayward Garden Club:** Are your perennial beds overgrown? Let the Garden Club divide and remove your plants for free. We'll be using the plants for beautification projects around the lake. Please call Betsy Guala at 537-0706 or email [bguala@yahoo.com](mailto:bguala@yahoo.com).

-----

### Board Vacancies:

There will be two vacancies on the POALH Board of Directors at the end of this season. This is a great opportunity for newer members of the Association to get involved, make new friends & contribute to the overall success of the POALH. However, these positions are open to any member of the Association. Voting for the new board members will take place at the annual August 19th Members Meeting. If interested, please contact the Nominating Committee at 537-0706, or email [bguala@yahoo.com](mailto:bguala@yahoo.com).

Thanks to Dillon – you kept the older generation moving at the “little beach clean up”. Thank you!! You did a great job.

### Request Regarding Fireworks:

Can we please address the issue of fireworks? Can we please ask folks to enter into a "gentlemen's agreement" not to ignite noisy fireworks after 10 pm? Fire crackers, M80s and all the loud kinds of fireworks awaken our entire household and others, I would guess. Last Sunday morning at 2 a.m., someone was igniting very loud fireworks. Some of us work on Sundays, some of us get up early to attend church, others of us expect peace and quiet after a decent time of evening. Sparklers, and ground fireworks that look pretty are not the issue - it is the whistling, booming, explosions that are simply a nuisance. They serve no purpose other than to disturb the peace. Please, please, can we put some sort of stop to the senseless noise (the British are no longer invading, nor are we, I doubt, celebrating their vanquishing).

Thanks.

Rev. MW and Mr. T Whitehead

## Tax Collector – Don Biancamano

Thanks to all who pay their POALH dues promptly. It does make it easier to fulfill the lake obligations.

As you know, the board has gotten more aggressive in the last year collecting delinquent tax money.

There are a handful of property owners who are delinquent for 2 or more years. If they do not come forward their names will be published in the Aug. newsletter.

Thanks again to the majority of POALH members.

## Happy 50<sup>th</sup> Anniversary!

Joan Soboleski—Celebrating 62 years at Lake Hayward!

## Recreation ~ Robyn Constable
