Message from the President ~ Tim Pelton

Come One, Come All

Tomorrow is the Annual Meeting of the Association and all members are encouraged to attend. The meeting will begin at 10 AM at the Pavilion. Key topics of discussion will include presentation of the budget for next year, a review of the very exciting week we have planned for Lake Hayward days, and any additional business to come before the membership.

Many volunteers are needed to make LH Days a success and even if you can help out for an hour or two, your efforts will be greatly appreciated. Please contact Robin Constable at 860-295-9743 if you would like to pitch in.

First Beach Project Reconciliation

We exceeded the \$125,000 budget by \$1,775. Through prudent planning we had fortunately built in some contingency money, just not quite enough. In a project of this size we expected to have a few 'surprises' but there was a big one that we did not see coming. The old tennis courts actually had three layers of asphalt that needed to be removed and that required bigger equipment and more loads to haul away. Next, the void left by the removal of all the asphalt required more fill to be brought in to make the new tennis courts level. Lastly, we all know what has happened to the cost of a gallon of gasoline and there is a lot of petroleum in the new asphalt that was put down. We had budgeted an additional \$2,000 in higher paving expenses. The total cost of the unanticipated expenses was \$9,000.00.

That said no one has been happier than the Board with all the use that the courts have gotten this summer. Every time we see people parking and enjoying themselves at First Beach, it makes all the planning, all the meetings, all the phone calls, and your financial commitment all worth while. The crown jewel of the Association has been restored.

Water on Glimmer Glen and Wildwood Road

So far the water company has replaced the water mains on Glimmer Glen and Wildwood Road. Anyone interested in considering using their water year round is asked to contact Eileen Travers at 29 Glimmer Glen.

Memorial Fund ~ Alice Miles

Thank you Chris and Barry Bagnati and the entire Bagnati family for your generous donation in memory of Pam Riddel. The Bagnati's have requested that their donation be used to purchase a new tree for 3rd Beach. Would any of you 3rd beachers, or friends of Pams, like to join in with the family to make this purchase possible? If so, please send your check to the POALH Memorial Fund, PO Box 230, Colchester, CT 06415.
