83 Wildwood Rd.

Well, the dog days of summer have arrived. Hopefully, these bright, sunny and hot days are filled with fun and memories to share during those cold, January days when we are wishing for the dog days.

Speaking of dogs, I'd like to thank the many dog owners at the lake for being responsible walking your dogs on leash and picking up after our lovable companions – (who trained whom?). Did you know that more than 70 percent of American households are homes to dogs? Did you also know that while statistics are difficult to obtain, there are more than 20,000 certified service dogs in America and surely far more than that as service dogs do not need to be certified or registered.

With this in mind, I'd like to share a recent experience of a member of the community involving a dog on the beach at Lake Hayward. The owner was asked why the dog was on the beach and without a leash. The person answered that the dog was a service dog and was allowed to be by the side of her child, who happened to be in the water at the time. Needless to say, the encounter left many questions unanswered as to the

What: PARTY AT THE PAVILION (Truckin' Awesome Food Truck and String of Pearls Big Band).

When: 6-11 p.m. tonight.

Where: FIRST BEACH PAVILION

rights of companions, the dogs and the Association.

Federal and state regulations regarding service dogs are very clear on what we can ask of the owner/handler to determine if the dog is a service dog. These are the only two questions that can be asked, so if you encounter a service dog, please be polite and follow the law (both federal and Connecticut law):

- 1) Is the dog a service animal required because of a disability?
- 2) What work or task has the dog been trained to perform? That's it. No more. We cannot require medical documentation, special identification or documentation of the dog's training, nor ask that the dog demonstrate its ability to per-

form the work or task. OK, fair enough. I understand that privacy and discretion are warranted. Please be respectful of the person and the service dog.

Well, what are the expectations of service dogs and their companions by law? Like other dogs, the service dog must be licensed and have a tag. Further, the service dog must be harnessed, leashed or tethered, unless these devices interfere with the service dog's work or the individual's disability.

In that case, the individual must maintain control of the service dog through voice, signal or other effective controls. A person with a disability cannot be asked to remove the service dog unless the dog is out of control and the handler does not take effective action to control the dog or the dog is not housebroken, but the person must still be offered the service or activity without the animal's presence.

Well, that is certainly open to interpretation, isn't it? I think the best way for us to respond is mutual respect. We must accept the dog on the beach or in the pavilion and the person must control the dog. Regard-

See Page 3

Annual tag sale is under way this morning at the First Beach Pavilion

When: Saturday Aug. 6 at the Pavilion from 9 a.m. to 2 p.m. Contact Cari Eckert at CariE@lakehaywardct.com.

There is still some space available if you want to bring things down to sell. A few extra tables will be set up just in case. Someone's "extra stuff" might be your treasure! If you set up a tag sale in your yard let us know at the pavilion so we can direct buyers to your house.

If you have books/movies (DVDs) that you want to donate to the Property Owners Association for the sale, we will have a table for these. Proceeds will go into the POALH Events budget. Set up will be from 8-9 am.

Annual Night at the Races returns to the pavilion later this month

Join Tim Pelton "the Aquatic Weed Guy" on Friday night, Aug. 19 as he again emcees the popular Night at the Races, starting at 8 p.m. at the pavilion.

Decorate your table, decorate your hat and don't forget your singles for wagering. Ten races in all will be held with payouts on every race. BYOB (and your Lake Hayward

plastic wine glasses) to this adult event. Prizes will be awarded for the best hats and table decorations.

Volunteer sought for lake newsletter distribution

We are looking for a volunteer to take over the distribution of the weekly newsletter. Please consider taking this position. It's a great way to volunteer for the Association as well as meet some great kids (and their families!)

It only involves about two hours a week. The newsletters get picked up at Copies Plus in Colchester on Fridays. Packets are then made for the routes. The carriers then pick them up on Saturday mornings between 8:30-9 a.m. in order to start deliveries by 9 a.m. Carriers let me know when they can't cover their route on a particular week and then I arrange a substitute.

This is my sixth year working with the kids. They are a great group of dependable and responsible young people who get up every Saturday to deliver your newsletter. I have never had a problem covering the

Newsletter Submissions: Deadline is on 6 p.m. Monday. Email webmaster@lakehaywardct.com

Newsletter Delivery: Please note that our carriers do not get paid. They give up their Saturday mornings to get the newsletters out to you. Please remember them with a tip. Visit www.lakehaywardct.com for newsletters, by-laws, contact numbers and calendar.

routes and usually have one or two kids looking to get a regular route who step in as substitutes when needed. I also have a group of substitutes who are happy to cover routes but aren't here every week to take a route. If you have any questions about this opportunity, please don't hesitate to contact me. I'm at 30 Cragmere Rd, 860-537-1012.

- Janet Soboleski

PROPERTY OWNERS' ASSOCIATION OF LAKE HAYWARD LEGAL NOTICE

PAYMENT OF PROPERTY TAXES

All persons liable to pay real estate taxes to the Property Owners' Association of Lake Hayward as levied on the October 1, 2015 Grand List are hereby notified that the taxes are due and payable on July 1, 2016 at the mill rate of 3.50. The taxes will become delinquent on August 1, 2016 if not paid by this date. Delinquent tax bills shall be subject to interest of one and one-half percent per month reverting to the due date, July 1, 2016. The minimum interest charge is \$2.00. All persons in the Tax District who do not receive a tax bill should call the Tax Collector at 860-295-8769 to obtain their bill before the end of the grace period, August 1, 2016. Failure to receive a property tax bill does not invalidate the payment of the tax or related delinquent interest charge if not paid by August 1, 2016. Tax payments shall be made by mail to Tax Collector, Property Owners' Association of Lake Hayward, Post Office Box 230, Colchester, CT 06415.

Edward F. Bader
Tax Collector

Land Trust hike highlights the benefits of land purchase within Lake watershed

The Colchester Land Trust led a hike for interested Lake Hayward residents last Sunday on the 115 acre parcel of land off Bulkeley Hill Road in Colchester that the trust is in the process of acquiring.

The majority of this beautiful piece of wooded land with a pond is within the Lake Hayward watershed and we are extremely fortunate that the land trust is leading the charge to acquire the land. Nine Lake Hayward residents participated in the morning hike hosted by land trust resident Andy George and land trust board member Cathy Shea. Also joining us for the hike was Rob Smith, vice president of the East Haddam Land Trust.

Original plans were for this piece of land to be developed into 44 home sites, which would have meant 44 more septic systems adjoining wetlands in our watershed, fertilized lawns and roofs and driveways creating additional stormwater runoff issues, all within a mile of the north end of the lake. Instead, because of land trust efforts, the parcel will be acquired in the next month or two and preserved as it currently exists. Passive recreational opportunities, such as walking/hiking, ice skating and possibly nature education will be developed, a much better outcome for the land and Lake Hayward.

The hike followed on the heels of a presentation by the Colchester Land Trust at the July 30 POALH Town Hall, where they talked about the history and many successes of the Colchester Land Trust since its formation in 2002, the Bulkeley Hill Road parcel and other land acquisition efforts underway. George also spoke about the tremendous costs (more than \$400,000) to acquire the Bulkeley Hill land, the loan they will take to make the acquisition and the need to replenish their reserves so they are prepared to

quickly respond to future opportunities. Tax-deductible donations can be made to the Colchester Land Trust (an accredited land trust with a 501c(3) status) through www.colchesterlandtrust.org.

Please consider making a donation for the great work they are doing to protect the Lake Hayward watershed. If you have any questions, please reach out to the Colchester Land Trust through their website or contact Randy Miller at gretehct@yahoo.com.

From Page 1: Service dogs must be respected in all association areas

less of your opinion or your fears, the service dog must be accepted.

OK, service dogs have a job to do and we can and should accept their presence. These animals are especially skilled to assist their companions and with more and more veterans suffering from the tragedies of war, I, for one, am especially grateful that they are there to support those with disabilities just trying to get by day to day.

So what is the policy on dogs at Lake Hayward?

Well, the above certainly covers service dogs. How about our loving and caring companions that are members of our fami-

lies? We have built a “Dog Beach” at the far end of First Beach. This area is marked and is available for both dog and companion recreation. Over the winter, the board was asked about additional opportunities for the dogs to enjoy the water. It was expressed that by the time “our little guy reaches dog beach, he is too exhausted to enjoy it.”

The board recognizes the need to compromise and thus we are permitting dogs to use the boat launch at Second Beach – staying within the rails defining the launch.

At all times, dogs must be under control and their companions must clean up any mess they make. Other than service dogs,

dogs are not allowed on the sand at any beach nor in the pavilion at First Beach. Mutual respect from all makes for an enjoyable day, doesn't it?

Many thanks to our responsible companions and their dogs. I enjoy watching you walk past my house and often wonder who is leading whom – but all seem to be having fun and that is what the lake is all about, isn't it?

Enjoy the lake and teach your children well.

- Bob Sudell

Social and recreation report: August heats up with many more lake events

The calendar located at <http://lakehaywardct.com/html/calendar.html> is your reference to the season's events. Please visit often as updates are made frequently.

The first tournaments of the season were under way last weekend. On Friday night, 16 setback players competed for the title of Lake Hayward Setback Champion of 2016. Robin Simpson was the only one with a perfect score for five games. She edged out her husband, Steve, for the trophy by one point. Shawn was also tied for second place with Steve. Thanks to Dave Edgington for chairing this event. On Saturday the Lake Hayward Golf tournament at Black Birch Country Club saw 72 golfers vying for the championship. Thanks to Fred O'Dell and Don Biancamano for another great event this year.

Unfortunately, the Second Beach Potluck Dinner and Movie on the Beach was canceled due to rain. Thanks for trying Bonnie and Bob. Consider this a trial run for your favorite dish and prepare it again for the next potluck dinner being held on First Beach under the pavilion; rain or shine (see details below).

Today, get the kids to Second Beach for the annual Kid's Fishing Derby. Always a great event with exciting prizes. The start time is 7:30 a.m. Just as the fishing derby is ending at 9 a.m., come on down to the pavilion for the return of the Lake Hayward

2016 Setback champion Robin Simpson

Tag Sale. Also, a list of participants having their own tag sales will be provided at the pavilion and signs put up at roads that have tag sales.

At 6 p.m., come to the Party at the Pavilion featuring Truckin' Awesome and Big Band String of Pearls. Truckin' Awesome will begin selling sandwiches and wraps at 6 p.m. and the String of Pearls will play from 8-11 p.m. See poster in this newsletter and at the kiosks on the beaches. The Adult Bass Tournament begins at 6:30 p.m. at Second Beach with the winner being announced at 9 p.m.

The Cribbage Tournament will be held at the pavilion on Friday, Aug. 12 at 7 p.m. Will Lynn take home the trophy again this year? Come on down to challenge her and others for your chance to put that trophy on your mantle.

I don't want to jump too far ahead, but need to mention Kid's Campout on the Beach is scheduled for Aug. 13 at 6 p.m. This event will be held on Second Beach.

Also, the First Beach Potluck and Latitude will be held on Thursday, Aug. 18 at 5 p.m. This event is open to all POALH members. Share your thoughts with your neighbors about what you will bring so there is a variety of appetizers, salads, main course and desserts. Please bring serving utensils. Sturdy plates, napkins and plastic ware will be provided. A buffet table and dessert table will be set up. Please remember to bring your plastic drinking glasses. Latitude will start the music at 7 p.m. and play until 10 p.m.

The Boat Parade is scheduled for Sunday, Aug. 21 from 3-5 p.m. Start thinking of how you will decorate your boat for a chance to bring home a trophy. Please send Don Smith an email at events@lakehaywardct.com or call at 860-338-1659 if you plan to enter the parade or would like to be a judge. Refreshments and snacks will be served.

Volunteer for Lake Hayward Days

Please contact Don Smith (860-338-1659) or email at events@lakehaywardct.com if you want to volunteer to help out. Diane Nelson will chair beach games, Heather Taylor will chair carnival and Dave Edgington will head up the cooking crew.

Monday garbage pickup continues until throughout August; ends on Sept. 6

All-Waste Control will collect trash and recyclables twice a week (Monday and Friday) during the summer and the twice-weekly pickup started on June 13.

The last Monday pickup will be Sept. 6, after which pickup will be on Fridays only. The Town of East Haddam has implemented "single stream recycling" so it is no longer necessary to separate the various recyclables into separate containers and/or put them out on separate days.

All recyclables can be combined and placed into a single container and put out with your regular trash. We must recycle: 1. Glass and metal food and beverage containers (rinsed); lids go in trash (No broken glass, mugs, windowpanes, ceramics, light bulbs, mirrors, dishes or tempered glass) 2. Plastic containers #1 through #7 (rinsed); lids go in trash 3. Newspaper, magazines, cereal/pasta boxes, milk and juice cartons, junk mail (No phone books, wax- or plas-

tic-coated cardboard, soiled newspaper or magazines, books, plastic (Tyvek) envelopes) 4. Cardboard (broken down) (No wax coated boxes, soiled boxes, pizza boxes) 5.

Garbage bags should not be left uncovered for more than one day to prevent animals getting into them.

Please contact All-Waste Control at 860-873-9005 with any questions.

CPR classes originally set for July is now rescheduled for Aug. 20

No one pre-registered for the CPR class scheduled for July 23 so the class was rescheduled for Saturday, Aug. 20 from 1-4 p.m. at the First Beach Pavilion.

The American Heart Association's Family and Friends CPR course teaches CPR and relief of choking in adults, children and infants. It is designed for members of the general public who would like to learn basic CPR, including families with children or elderly relatives and those who do not need a course completion card.

New date for CPR classes

Course fee includes textbook and participation card. This course is three hours long and costs \$10 per person. Payment is due the day of class. Register by emailing Bonnie Sudell at bonnies@lakehaywardct.com with CPR in the subject line or by calling Bonnie at 860-678-1392. Please include your name, address and phone number.

The ever-popular Ladies Night is just around the corner, so book now

Ladies, join your friends and make new ones at the seventh annual Ladies Night, which will be held Friday, Aug. 26 at the pavilion.

For just \$15, you get a catered Italian buffet from Iliano's (with gluten-free and vegetarian options), sweets from Angelo's, two raffle tickets and NO dishes to wash.

When: 5 p.m., Aug. 26

Where: First Beach Pavilion

Come for cocktails (with your Lake Hayward plastic wine or beer glasses) at 5 p.m.; the buffet

will be served between 6:30 and 7. This event sold out the last three years so don't wait. Registration by Tuesday, Aug. 23 is required.

Contact Bob Sudell at roberts@lakehaywardct.com or 860-678-1392. Raffle donations are welcome.

Public Safety report: Prepare for the dangers that thunderstorms can bring

All thunderstorms produce lightning and are dangerous, but do you know how to tell how close lightning is? Just count the seconds between seeing the flash and hearing the thunder.

For every five seconds you count, the lightning is one mile away. So if you see a flash and instantly hear the thunder, the lightning strike is very close. Move indoors immediately. Lightning kills between 75 and 100 people each year and being outdoors is the most dangerous place to be. Here are some tips to keep you safe so you can enjoy the thunderstorm:

If you are outdoors:

- Listen to the radio for the latest information and instructions for your area. If the meteorologist talks about a "thunderstorm watch" it means a thunderstorm is

possible for your area. Stay alert. If he or she talks about a "thunderstorm warning" it means a thunderstorm is taking place in your area. Take shelter immediately.

- Keep an eye at the sky. Look for darkening skies, flashes of lightning or increasing winds. Don't wait for the rain to begin. If you hear the sound of thunder, go to a safe place immediately.
- The best place to be is indoors or in a car (with the windows rolled up). Avoid sheds, picnic areas, baseball dugouts or bleachers.
- If there is no shelter around you, stay away from trees. Crouch down in an open area, keeping twice as far away from a tree as it is tall. Keep your feet together and cover your ears to minimize hearing damage.

- If you're with a group of people, stay about 15 feet from each other.
- Stay out of water. It's a great conductor of electricity.
- Avoid metal. Stay away from clotheslines, fences and power lines.
- If you're playing an outdoor activity, wait at least 30 minutes after the last observed lightning strike or thunder to continue.

If you are indoors:

- Avoid water. Do not take a shower, wash your hands, do dishes or laundry during a thunderstorm.
- Do not use a corded telephone as lightning could strike exterior phone lines.
- Do not use electric equipment like computers and appliances during a storm.
- Stay away from windows and doors, and stay off porches.

Music on the River series continues at Goodspeed

All free concerts are held on Monday nights from 6:30-8:30 p.m. at the green of the Goodspeed Opera House.

If it rains, the concerts will be moved to the Hale-Ray High School Auditorium (please call the Recreation Office 860-873-5058, check www.easthaddamrec.com or our Facebook page if weather is questionable).

Great food and drinks will be available to purchase at the Gelston House or bring a picnic dinner.

Free parking is available in the Goodspeed Opera House parking lot, behind the Gelston House with additional parking and a shuttle bus from Eagle Landing in Haddam if needed.

The Music on the River site is made possible through the generous support of Goodspeed Musicals.

All children under the age of 16 must be accompanied by an adult. No dogs,

smoking, vendors or soliciting at the concerts and no parking on residential streets are allowed.

Aug. 8

Heartbeat Dixieland Jazz Band

Heartbeat has been dubbed, "New England's Most Lovable Jazz Band," and specializes in Dixieland Jazz music.

Heartbeat is made up of a handful of musicians with many years of experience playing Dixieland, as well as other types of music. Bill Logozzo, founder of Heartbeat, didn't start playing drums until age 45. He learned from great teachers such as Gene Bozzi, Sal Ranniello and Art Perretta. Bill played with several bands before forming Heartbeat Dixieland Jazz Band.

The band has been performing in the central Connecticut area now for over eight years.

Record field comes out for annual golf outing

A record 72 golfers played in the 2016 Lake Hayward Scramble Open held July 30 at the newly renovated Black Birch Country Club in East Haddam.

The Open Division was won by Oscar, Giovanni, Ric, and Mike, from our neighbors at Fox Hopyard, with a fine score of -10. The Classic Division was won by Tish Magao and teammates Jeff, Sue, and Zenco with a very good score of -6. In all nine of the 18 teams finished par or better.

Special event winners were: Closest to the pin on No. 5 to Mark Waranowicz; on No. 8 to Mike Brothers; on No. 15 to Don Biancamano; and on No. 17 to Ric Morrison. Long drive for women was Corrine Halliday and for men was Blake Biancamano. A very special award was given to the group of Anthony, Seb, and Rick DiMauro and their cousin Jeff Russo for getting the most for their money. Golfers were treated to snacks and beverages around the course, a tee prize, a free round of golf from Black Birch, fine raffle gifts, and a picnic barbecue on the deck. Special thank you to the POALH for their sponsorship and to Don and Fred for their leadership.

Lake Quality Improvement Committee holds Permit to Discharge drawing

\$200 to lucky winner!

Permit to Discharge drawing will be held at POALH's Annual Meeting on Aug. 21. Drawing open to all East & West side Lake Hayward residents. Need not be present to win!

Can't find your permit? Call Chatham Health District for a copy, 860-365-0884.

To enter:

Submit a copy of your current and valid "Permit to Discharge"* from the Chatham Health District:

- 1) Bring your permit copy to the annual meeting on August 21

or

- 2) Submit your permit copy in advance (OK to leave in mailbox) Felicia Tencza 22 Forest Way

*limit one permit per address. Sponsored by Lake Quality Improvement Committee.

3rd Annual Lake Hayward Triathlon

August 27, 2016/Rain Date: August 28, 2016

Second Beach Start, First Beach Finish!

Start Time: 8:00 AM

Entry Fee: \$25/Individual

\$40/Two-Person Team

\$50/Three-Person Team

The 3rd Annual Lake Hayward Sprint Triathlon is only two months away! This end of summer, non-competitive event invites Lake Hayward residents, of all ability levels, to enjoy swimming, biking and running around our beautiful Lake. The event consists of an approximate 1/3-mile swim, 12 mile bike ride and 4 mile run around Lake Hayward.

*Participants assume all risk associated with this event. There will be no lifeguards on duty and roads will be open to traffic. All participants must wear swim caps during the swim and helmets while riding.

Please mail/drop off entry form and fee to:

**POALH
83 Wildwood Rd
Colchester, CT 06415**

Registration Deadline: July 31st. Event limited to the first 50 registrants.

Please contact Heather Taylor at htay9996@gmail.com with any questions.
