# What You Need to Know for Saturday, August 27th

It has been a few years since we have run the beach games and carnival, so here is some important information.

- A large section of first beach is blocked off for this event for the entire day. If you typically relax at first beach and are looking for a quiet beach day, you may want to explore second or third beach on this day.
- We are expecting a lot of families so please be patient driving through and expect it to be a little congested.
- Even though you may have guests up for the day, every car parked in the lot must have a parking pass.
- For safety reasons, please remember that families are responsible for their children. This event is run solely by volunteers that will be quite busy. Please be certain children do not cross boundaries created to keep them away from hot grills, popcorn machines, etc.
- We do not have a rain date, if there is a need to cancel due to weather, it will be posted updated on the calendar on the POALH Website and it will be posted on the POALH Facebook Page.

## **Party With The Ponies** **At Night At The Races**

**Thursday Night 8/25 at 8 PM (Dusk)**  
**at the Pavilion**

- The track is sandy and *really* dry and the weather is hot.
- Forget the sports book at Foxwood's and Mohegan. With the money you save on gas going there you can put down a few wagers at the pavilion. By the way, unlike Foxwood's and Mohegan, winnings less than \$10,000 are not reported to the IRS.
- All races are sanctioned by the HDRC also know as the *Hayward Downs Racing Association*.
- New feature this year, the HDRC subcommittee on graft and corruption has created a new value-added feature. On the honor system, if you have not won *even one* race, you will be given a free voucher to place your bet on the last race. Everyone is a winner at *Night At The Races*.
- Race programs for each race will be provided.
- Bring along a handful of singles (bucks not dates!) and have a ton of fun
- Pay outs on every race, **you too** can be a winner
