All of the POALH community are invited and encouraged to attend. This is a Special Meeting for discussion of **Short Term Rentals (STR'S)** in our community, and will be organized as a Town Hall meeting. There will be an Agenda to follow - please watch for it in our newsletters as well as further email blasts.

Any questions, concerns or suggestions are welcome and can be directed to any member of the Board of Governors, or by reaching out to [President@lakehaywardct.com](mailto:President@lakehaywardct.com)

**Geese Alert**

There are 30-40 geese that are flying in and have been for the last few weeks. Now that they can fly, we can harass them. If you see them on our beaches, please take a few minutes to chase them off. If you're out on your boat, please harass them until they fly off. Splashing them with water works – they don't like to get wet. However, it is illegal to hurt them so please be careful.

For those whose dogs have been approved to move them off our beaches in the morning and early evening, please be sure your dog is leashed and wearing the red bandana.

**Invasive Aquatic Weed Treatment is Scheduled for August 28, 2023**

Our permit to treat was received on August 11, 2023 from CT. DEEP. We are scheduled to have the lake treated by Solitude Lake Management on Monday, August 28, 2023. There will be signs posted throughout our community a few days prior to treatment to alert residents and visitors and will remain posted for seven days after the date of treatment. Do not use the lake water for the following purposes on the day of treatment – swimming, boating, fishing, and watering livestock. Do not use the lake water until three days after treatment for drinking, cooking, and irrigation. These restrictions will also be noted on the signage to be posted throughout our community. Any unexpected changes in this treatment date will be communicated to our residents. Please remember that Solitude does use a gas-powered boat for the treatment so do not be alarmed when you see it.

## News from Third Beach

We wave a fond farewell to Hema DeSilva, who served as Third Beach Representative. Fortunately, he will remain among us as a member of our community, and we all look forward to seeing him on Glimmer Glen. Three new picnic tables have joined the refurbished bench on our beach. Two were provided as part of our annual update by POALH, and the third through our own fundraising. Thanks to all of you and the Third Beach crew who stained the tables. Our annual potluck is coming up on September 2nd. Looking forward to the amazing food and fellowship. Remember to bring your entry to the raffle.

This may be the last year for the Third Beach little playhouse. It's fueled plenty of play over the years, but it's starting to wear its age. Take a look the next time you're down there. We'll have a poll set up at the Potluck to decide if we keep it one more year or retire it this winter.

Thanks and see you on the beach!
